Dave's Driving Tutor

Is your teen about ready to take the wheel and embark on the exciting journey of driving? Ensure they start their driving experience on the right path with our comprehensive and professional driving school!

This 2-part course is designed to instill confidence, promote safety, and equip young drivers with the skills they need to navigate the road with ease. Dave's Driving School will teach your teenager all about safety, the importance of staying aware, responsive, and reactive while on the road, and how to protect yourself and others. The course is specifically tailored to start with the basics and then move into more serious topics, from fundamentals to the consequences of being irresponsible.

The first two weeks (from June 3-13) will consist of a 1-hour introductory session* by Dave's Driving School at a reduced cost of \$20. Parents can sit in with their child for free the first week - a \$5 sit-in fee will apply for any classes held during the second week.

The first week of the 2-part course is all about learning. In the second week, you will pick a day out of that week to come try out Dave's state-of-the-art simulator and practice driving safely.
