A Cosmetologist specializes in the styling of hair, including cutting and chemical services such as relaxers, texturizers, perms, and color, as well as restorative treatments. In addition, a Class A Barber specializes in the cutting of hair using clippers, shears and razor. Students in both programs will learn about salon development to help with the business management of their practice as well. Upon successful completion of the program, graduates will be eligible to take the examination prescribed by the State Licensing agency to become a Licensed Cosmetologist or Barber.
