Proof of Bacterial Meningitis Vaccination Requirement

State law requires all students entering institutions of higher education to show evidence of receiving a bacterial meningitis vaccination or booster dose during the five year period prior to enrollment and at least 10 days before the first day of the semester.

Entering students include those entering college for the first time, transfer students from other colleges and returning or continuing students who have had a break in enrollment of at least one fall or spring semester.

The law allows for exceptions for:

- Students 22 years of age or older
- Students who are enrolled only in online or other distance learning courses
- Students enrolled in Continuing Education courses or programs less than 360 contact hours or Continuing Education corporate training.
- Students enrolled in Dual Credit courses taught at a public or private K-12 facility.
- Students who submit an affidavit or a certificate signed by a physician who is duly registered and licensed to practice medicine in the United States, in which it is stated that, in the physician's opinion, the vaccination required would be injurious to the health and well-being of the student
- Students who submit an affidavit signed by the student stating that the student declines the vaccination for bacterial meningitis for reasons of conscience, including religious belief. A conscientious exemption form ("Affidavit Request for Exemption from Immunizations for Reasons of Conscience") from the Texas Department of State Health Services must be used by students living in on-campus housing. Allow several weeks to submit and have form approved by the Texas Department of State Health Services. Students NOT living on-campus housing may use the official Texas Higher Education Coordinating Board's Affidavit Form. Students must print the form, have it notarized, and file it with the Office of Admissions and Records

To obtain the vaccination, check with your family doctor or local public health department.

Vernon College has taken some extra steps to enhance the security of our campus, to ensure timely emergency communication, and give peace of mind to students, parents, and community members. To accomplish this, we are implementing a new Emergency Notification System (ENS) called RUNsync. RUNsync is a multi-medium communication tool that allows us to publish emergency information to our website, mobile app, Facebook, and Twitter. Runsync also generates test-to-speech phone calls and SMS messages for our subscribers.

There are two methods by which you can subscribe to our new ENS:

A. From our website:

1. Go to www.vernoncollege.edu and click the “VC Alert - Get the Message” button on the bottom left hand side of the homepage.
2. Fill the form out completely. This will create your subscriber account in our system. Please take note of the email address and password you used. You will use that information to log in to the ENS to manage your subscription.
3. Select the following methods to ensure you are getting the emergency message in the way you prefer it.

B. From our mobile app:

1. Our App is available for download from Apple’s App Store or the Google Play Store if you have an Android device.
2. When you open the app on your device be sure and tell it to ‘Allow Push Notifications.’
3. To set up a new account, click the ‘Settings’ tab and input your email address and a password then click ‘Register.’
4. If you already have a subscriber account use that email address and password and click ‘Login.’
5. Once logged in you will be able to manage your account information and your subscriptions.
 - i. On the ‘Settings’ tab please provide your information, tell us your subscriber type, and select if you want Text or Voice Alerts.
 - ii. On the ‘Subscriptions’ tab you can select which groups for which you want to be alerted.

Transfer students seeking a degree or certificate must provide official transcripts of all previous college work.
2. New students should attend New Student Orientation. Re-enrolling students should select their courses and develop a tentative schedule or see a CSA for assistance. Counselors and Course Schedule Advisors (CSA) are available during scheduled office hours. Make appointments early and do not wait until registration. Dual Credit high school students will see their high school counselor for course selection.
3. Students should register for approved (signed trial schedule) courses at their scheduled Campus Connect time or registration days (see Advising and Registration Calendar).
4. All tuition and fees must be paid on or before the designated time and date (see Advising and Registration Calendar).

Schedule Changes, Drops, and Withdrawals Definitions:

Students should see their instructors or advisors before seriously considering dropping or withdrawing.

Schedule change is defined as dropping and/or adding courses or sections of a specific course. Drop is defined as an official reduction in the course load but where enrollment is continued in one or more classes. Withdrawal is defined as the official termination of all courses.

PROCEDURES: All adds, drops and withdrawals after Campus Connect closes should be done in writing on forms provided by VC or in the form of a letter to the Office of Admissions and Records in Vernon if required due to distance or time constraints. The processing for all adds, drops and withdrawal forms begins at the Office of Admissions and Records in Vernon, Wichita Falls, or Sheppard Learning Center. Verbal notification is not acceptable.

Before dropping a class or withdrawing from all classes, the student needs to visit with his/her instructor(s) before final processing. Students may make changes to their schedules (simultaneous adds and drops) during the designated registration or schedule change periods (see registration calendar).

Students may drop a part of their course load or withdraw from all classes any time after they have registered and paid, and until the last day to withdraw as printed in the Academic Calendar. Student-initiated drops or withdrawals between the first day of classes and the official state mandated census day will be purged from the records. Student initiated drops and withdrawals between the official state-mandated census day and the last day to drop or withdraw will receive a grade of "W" unless an administrative withdrawal has previously been processed. The grade of "F" will be awarded for drops or withdrawals processed after the date indicated on the registration calendar. There is no withdrawal fee; however, it is necessary to obtain clearance from the offices noted on the withdrawal form.

State Limitation on Dropped Courses:

Under section 51.907 of the Texas Education Code, “an institution of higher education may not permit a student to drop more than six courses, including any course a transfer student has dropped at another institution of higher education.” This statute applies to students who enroll in a public institution of higher education as first-time freshmen in fall 2007 or later. Any course that a student drops is counted toward the six-course limit if: “(1) the student was able to drop the course without receiving a grade or incurring an academic penalty; (2) the student’s transcript indicates or will indicate that the student was enrolled in the course; and (3) the student is not dropping the course in order to withdraw from the institution.” Some exemptions for good cause could allow a student to drop a course without having it counted toward this limit, but it is the responsibility of the student to establish that good cause.

Exemptions include:

- Severe illness or debilitating condition preventing completion of course
- Responsible for caring for a sick, injured or needy person
- Death of close family member
- Active duty service in US Armed Forces or National Guard, or that of an immediate family member
- Change in student’s work schedule beyond control of student
- Other good cause determined by the institution

Important Information for Students Attending Classes at Sheppard AFB:

Vernon College civilian students attending classes on Sheppard AFB are required to get a base ID card. Each student is required to go to the Pass and Registration Office and provide his or her **paid Vernon College receipt and valid driver’s license**. The Pass and Registration Office (940) 676-4135 is located in Building 1405 on Missile Road and is open 6:00am-6:00pm Monday-Friday. This process **must be completed prior to the first day of class**.

Vernon College students who are not U.S. citizens must provide their Resident Alien Card and Social Security Card or Passport.

In Vernon, listen to the local radio station, KVWC or a Wichita Falls television channel. Additionally, a new **Emergency Notification System (ENS)** called RUNsync will be used to notify students of delays/cancelations of classes due to inclement weather. Please refer to page 3 of this registration guide for information on subscribing to this service.

Graduation

Students planning to complete a certificate or degree by the end of the semester need to complete an Application for Graduation at the Office of Admissions and Records in Vernon or Wichita Falls.

If students apply before their last semester begins, the Registrar will process a degree audit (viewable in Campus Connect) showing the remaining work necessary to complete the certificate or degree requirements. To ensure proper course selection, students should apply immediately.

Spring 2015 Priority Deadlines: November 1, 2015 for Spring and Spring I, and January 21, 2016 for Spring II. Submitting all required documents prior to this date will ensure that we have your financial aid file completed and awarded prior to the payment deadline. Failure to provide the required documents including the FAFSA, tax documents (if required), and other documents requested by the financial aid office by the deadline could result in your aid not being ready to pay towards your bill on payment deadline. Students must have also received an admission permit from the Vernon College Admission and Records Office prior to this deadline. Failure to meet these requirements will mean that you must make other financial arrangements such as cash, credit card, etc. with the business office or use the payment plan located in Campus Connect. Simply completing the FAFSA by the deadline is NOT considered a complete file because there is more information required beyond the FAFSA application. Students turning in documents after the deadline date must be prepared to pay their tuition and fees, books and other educationally related expenses using personal funds. Once files are complete, eligible students will receive payment in accordance with the VC disbursement of awards policy. Since funds are limited in some programs and awards are assigned as applications are completed, early application for aid is essential.

If you have financial aid/scholarships and a \$-0- account balance following your registration, your registration is complete. You may pick up a copy of your statement in the Business Office or have one mailed upon request. If you are registering onsite during a regular registration day, you may go to the Business Office and receive a copy of your statement and your registration will be complete. If you have financial aid/scholarships and you owe a balance following your registration, you must pay the balance to the Business Office or use the payment plan located in Campus Connect before the close of the counter on the day of registration or the payment deadline, or your enrollment will be cancelled.

As per federal regulations, Direct Loans are issued to students in multiple disbursements. Generally this means you will receive equal portions of your loan each semester, except if your loan is only one semester in length. If one semester, then generally the loan will be split into two disbursements in that semester. Also, as per federal regulations, the first disbursement of student loan to a first year, first-time borrower, must be held for at least 30 days.

Students receiving tuition exemptions and/or agency sponsorship (TRC, WIA, TA, etc.) must take their estimated statement to the Financial Aid Office along with the appropriate payment voucher before the end of that particular registration period.

Veteran students must submit a **FINALIZED*** copy of their estimate of student account (located in Campus Connect under Account Info and Review/Pay Account) in order to be certified. Students receiving Chapter 33 benefits (Post 911) must also submit a copy of their most recent VA award letter or a printout of their eBenefits account if the student wishes to have an award pre-posted prior to certification. Note: students that do not have enough remaining eligibility to cover the entire semester cannot have an award pre-posted. Student certifications are processed in the order the paperwork is received by the Veterans Services Office.

*If changes are made to enrollment once the certification has been submitted, the STUDENT WILL BE RESPONSIBLE for any additional charges incurred. Adjustments to VA awards and certifications will not be made until after the semester census date.

Hazelwood students must submit a completed Hazelwood packet prior to the census date each semester in order to receive benefits for the semester. Incomplete packets will be returned to the student.

Refund Information

Students who officially withdraw or drop a course will have their tuition and mandatory fees refunded according to the schedule below. All refunds are processed through the Business Office in Vernon. No cash refunds or reversal of charges to credit cards will be made. All credits will be applied to any outstanding balance owed to the college before a refund will be issued including Nelnet Business Solutions installment plans. Refunds are issued by check mailed to student's address of record, direct deposit to the student's Chaparral ID Card, or other designated direct deposit account.

All new to Vernon College students must attend a NEW STUDENT ORIENTATION session. These sessions are offered through-out the semester and cover information needed before a student registers. Check the Vernon College website or call any Vernon College counseling office for New Student Orientation dates and times. Students must sign up for a New Student Orientation session – seating is limited.

Some students may be required to take a placement test prior to enrolling in Vernon College. Information on this topic is covered in the New Student Orientation and the current Vernon College Catalog. See Texas Success Initiative information below.

All NEW students to Vernon College must meet with a Course Schedule Advisor (CSA) prior to being cleared for registration. Students who are “College Readiness Clear” must contact their CSA, create schedules and register as early as possible for courses. Early registration offers students a wider course selection. “College Readiness Clear” students have taken and passed all sections of an approved placement test or have submitted documentation of an exemption to testing as outlined in the Texas Success Initiative law. Returning students who are “College Readiness Clear” are encouraged to meet with their CSA during posted faculty office hours OR in the CSA Center.

Students who are “Not College Readiness Clear” are required to submit their schedules to the counseling office each semester for approval. Students are encouraged to review and follow their Developmental Plans while selecting courses. Students who are “Not College Readiness Clear” will not be allowed to register until their schedules have been approved by a Vernon College Counselor/CSA. Schedules can be submitted to any Vernon College counseling office and are reviewed and returned on a first come/first served basis. Students taking developmental courses are eligible to register over the Internet but only after their schedules have been approved by the counseling office.

Texas Success Initiative

The Texas Success Initiative Law was substantially amended by the Texas Legislature effect August 26, 2013. The new laws may be different for new students that are beginning college coursework during the Spring 2014 semester or later. If you have any questions please contact Vernon College Student Services. The Texas Success Initiative information is covered in depth during the New Student Orientations.

The Texas Success Initiative intends to assess a student’s **College Readiness** for college level academic coursework – by testing reading, writing, and math ability.

College Readiness is a term designated by the State of Texas to indicate a student’s ability to successfully enroll and progress in first year college level academic coursework.

College Readiness Clear or Not Clear—At Vernon College we use the term *Clear* to designate if a student has passed all 3 areas of the placement test or is exempt. We also use the term *Not Clear* if the student has not passed all 3 sections of the TSI Assessment and is required to take developmental coursework. If you do not meet one of the TSI exemptions listed below and want to take academic coursework you must take the Texas Success Initiative Assessment before you enroll in coursework.

The Texas Success Initiative Assessment is:

- mandatory for all public colleges and universities in Texas
- required by the State of Texas to measure your ability to read, write, and do math at a college level
- a computerized test consisting of a multiple choice exam as well as a writing sample- you will receive your results as soon as you finish the exam
- will provide you a multipage print out so that you can see in what areas you did well as well as in what areas you did poorly and will be requiring developmental class work

All students are now required to take the Texas Success Initiative Assessment unless they meet one of the exemptions listed below .We encourage you to read the exemptions below carefully to see if you are eligible to claim one of these state approved exemptions. If you are eligible for one of the exemptions you must bring proof of your exemption to the Vernon College Counseling Office

Exemptions using other tests:

ACT/SAT/TAKS/STAARS EOC Tests—Students who meet the following standards may be exempt from taking the TSI Assessment test if they have valid ACT, SAT, TAKS, or STAAR EOC scores. It is the student's responsibility to provide official scores to VC to qualify for an exemption prior to enrollment in any college-level courses and prior to expiration of those specific scores.

The minimum exemption standards for these tests are:

Name of Test	Composite Score	English/ Verbal Scores	Math Scores	Expiration Date from the date the test is taken
SAT	Combined 1070	500 (Critical Reading Score)	500	5 years
ACT	Composite 23	19	19	5 years
TAKS Exit Exam 11th Grade	N/A	2200 with Writing Sub-score of 3	2200	5 years
STAAR EOC	N/A	Level II (2000 on reading AND 2000 on writing) on English III EOC exam	Level II (4000) on Algebra II EOC exam	5 years

Other Exemptions:

- Student who transfers to Vernon College from a private institution of higher education or an accredited out-of-state institution of higher education and who has satisfactorily completed college-level coursework may be exempt for portions of the TSI law at Vernon College. The coursework from the private or out of state institution of higher education must have a prerequisite of reading, writing and/or math for the same class at Vernon College. A student may be partially TSI clear in reading and writing but not clear in math or vice versa.
- Previously graduated with an Associate or Baccalaureate degree from an accredited institution of higher education
- Enrolling in a certificate program of 1 year or less (less than 42 semester credit hours)
- Student serving as active duty or active reserves in the US Armed Forces
- Student honorably discharged from Active Duty in the US Armed Forces after August 1, 1990 (student should provide a copy of a DD214)

DISTANCE EDUCATION COURSES

Smarter Measure

To determine the likelihood of succeeding in an online or hybrid class, students are strongly encouraged to utilize the Smarter Measure self-assessment tool prior to enrolling. Smarter Measure may be accessed at <http://vernon.smartermeasure.com/>

Use the first time user log in tab: USERNAME: vernon PASSWORD: student.

Types of Distance Education Courses

VC offers interactive television (ITV), Internet, and hybrid courses.

ITV Courses are basically face to face courses with the instructor being televised from a remote location. ITV Courses are denoted in the schedule by the presence of a "T" between the course number and section number.

Internet courses are conducted online and require the student to have access to a computer with internet. Proctored testing at an approved testing site may be required. Online course orientations are combined in the content of the course and available on the first day of the semester. Online courses are denoted in the online schedule with section numbers 900-999.

Hybrid courses have an online and an ITV or traditional classroom component. In the case of online Hybrid courses much of the content is presented on the Internet, but students must participate in regularly scheduled class meetings at a specified VC campus or center. Hybrid courses are also denoted in the online schedule with section numbers 900-999. A "V" between the course number and section number denotes that the classroom component of the course is held on the Vernon Campus while a "W" between the course number and section number denotes that the classroom component is held at a Wichita Falls location. **Please check the room locations and the times of the classroom component of Hybrid courses to ensure the accuracy of your schedule. Proctored testing at an approved testing site may be required for Hybrid courses.** Hybrid course orientations may be combined in the content of the course or conducted on the first scheduled class meeting.
