

Advisory Committee Meeting Minutes Fall 2022

Surgical Technology

4:00PM - Thursday October 27, 2022 – Vernon College
Century City Center, Joe Chat Sumner Conference Room 115

Members present:

Kya Gilliam – United Regional Hospital
Sadie Walls – Vernon College Student
Bonnie Beavers – Kell West Regional Hospital
Brianna Macias – Momentum Specialty Surgery Center
Mercades Waugh – United Regional Hospital
Alvita Foster – Momentum Specialty Surgery Center
Chad Heron – United Regional Hospital
Heather Cobb – Momentum Specialty Surgery Center

Vernon College Faculty/Staff

Delayne Crow
Bettye Hutchins
Tracy Caitlyn
Karen McClure

Members not Present:

Pam Franklin – United Regional Hospital
Dr. Jedidiah Grisel – Momentum Specialty Surgery Center
Shane Smith – Higginbotham & Associates

Delayne Crow started by welcoming the committee and began introductions.

Chad Heron advanced from vice-chair 2021 to chair for 2022.

After introductions, Bettye Hutchins thanked the committee members for their service, reviewed the purpose and importance of the committee meeting. Bettye opened the floor for volunteers or nominations for vice-chair and recorder. Alvita Foster nominated Kya Gilliam for vice-chair and Bonnie Beavers volunteered for recorder.

Chair: Chad Heron

Vice-Chair: Kya Gilliam

Recorder: Bonnie Beavers

New BusinessChad Heron

No old or continuing business listed on the agenda. Chad Heron continued to New Business. Chad asked the faculty member, Delayne Crow, to review the program specific accreditation information and requirements.

Delayne Crow reviewed the following information with the committee.

• **Program Specific Accreditation Information and Requirements**

Retention—ARC/STSA Threshold for Retention: 60%

Chad Heron asked if any one had recommendations from the committee, hearing none he moved forward.

❖ **Review program outcomes, assessment methods/results, and workplace competency**

Chad Heron asked the faculty member, Delayne Crow, to review the program outcomes with the committee.

Delayne Crow reviewed the following program outcomes.

Program outcomes

1. Identify basic surgical instrumentation and demonstrate an understanding of the decontamination/sterilization processes. (I, V)
2. Integrate principles of surgical asepsis in perioperative routines and exhibit a strong surgical conscience. (I, II)
3. Demonstrate a safe and professional level of practice and knowledge in the perioperative routines assumed by the entry-level Surgical Technologist including; patient transportation, positioning, and emergency procedures. (I, II, III)
4. Apply the knowledge and skills of a professional Surgical Technologist to address the biopsychosocial needs of the surgical patient. (I)
5. Apply an understanding of the ethical, legal, moral, and medical values related to the patient and the surgical team delivering perioperative care. (IV)
6. Communicate effectively with patients and the health care team based upon respect for the dignity, cultural diversity, and worth of each person. (IV, VI)
7. Integrate a comprehensive understanding of anatomy, physiology, medical terminology, pharmacology, and pathophysiology into the role of the entry-level Surgical Technologist. (VI, VII, VIII)
8. Correlate the elements, actions, and use of medications and anesthetic agents utilized during perioperative patient care. (VIII)
9. Perform proficiently and competently as an entry-level Surgical Technologist in the cognitive, psychomotor, and affective learning domains.
10. Demonstrate professional attributes of an entry-level Surgical Technologist consistent with the progression and employer expectations.

Approve program outcomes

After review of the program outcomes, Chad Heron asked the committee for a motion to approve the program outcomes as presented.

Alvita Foster made a motion to approve the program outcomes as presented.

Heather Cobb seconded the motion.

The motion passed and the committee approved the program outcomes as presented.

❖ **Approve assessment methods and results**

Chad Heron asked the faculty member, Delayne Crow, to explain in more detail the assessment methods and results. Delayne reviewed the information below.

- Each course taught in the program is assessed with a written assignment and test for each chapter with a cumulative final exam.
- Lab Skills require a return demonstration mastering the specific skill(s) increasing skills to first scrubbing mock surgeries. Each skill and mock surgery has a skill rubric with a minimum score of 75% required to pass.
- Minimum clinical case requirements established by ARC/STSA followed as one assessment method for clinical courses to demonstrate meeting program outcomes.
 - Student Self-Evaluations and Instructor Evaluations.
 - Written and verbal preceptor evaluations for daily and/or weekly.
 - Student project in the final semester.
- Practice CST examination administered the first week of the final semester.
- Weekly CST exam reviews during the final semester.
- Second Practice CST examination administered two weeks before CST exam date.
- CST examination content scores and overall pass rate.
- Employer and Graduate Surveys administered after graduation.

Chad Heron asked the committee for a motion to approve the assessment methods and results as presented.

Alvita Foster made a motion to approve the assessment methods and results as presented.

Bonnie Beavers seconded the motion.

The motion passed and the committee approved the assessment methods as presented.

❖ **Approval of workplace competency (course or exam)**

Chad Heron asked the faculty member, Delayne Crow, to discuss the workplace competency and how the students have performed on the competency.

Delayne Crow reviewed the information below with the committee.

Chad Heron asked if any one had recommendations from the committee, hearing none he moved forward. Chad asked for a motion to approve the workplace competency as presented. Brianna Macias made a motion to approve the workplace competency as presented. Kya Gilliam seconded the motion.

The motion passed and the committee approved the workplace competency as presented.

❖ **Review program curriculum/courses/degree plans**

Chad Heron asked the faculty member, Delayne Crow, to review the program revisions with the committee.

Delayne reviewed the following program curriculum/courses stating there are no revisions this year. Delayne had no recommended changes for 2023-2024. The curriculum below is for 2022-2023.

❖ **Approve 2022-2023 SCANS, General Education, Program Outcomes, and Institutional Outcome Matrices.**

Chad Heron asked the faculty member, Delayne Crow, to explain the meaning of the different sets of SCANS matrices.

Betty Hutchins reviewed the various SCANS listed below explaining the differences and purposes for the three umbrellas the college operates under as well as each agencies mapping requirements.

SCANS Matrix: The SCANS (Secretary’s Commission on Achieving Necessary Skills) Matrix represents the 8 Federal requirements that must be taught. The matrix shows how we are mapping them back to each of the courses in the program.

Chad Heron asked for recommendations or discussion from committee, hearing none he moved forward. Chad asked for a motion to approve all matrices as presented. Alvita Foster made a motion to approve all the program matrices as presented. Bonnie Beavers seconded the motion.

The motion passed and the committee approved all matrices as presented.

❖ **Program statistics: Graduates (from previous year/semester), current majors, current enrollment**

Delayne Crow discussed the current program statistics with the committee. Chad Heron asked the committee for any recommendation for program statistics hearing none he moved forward.

- Program Statistics:
- Graduates 2021-2022: 11
- Majors Fall 2022-2023: 10
- Enrollment Fall 2022: 10 8 female and 2 male

❖ **Local Demand**

Chad asked the committee for discussion on local demand. Mercedes Waugh stated that United Regional has 2 CST positons now, Heather Cobb said that she has 1 CST now and 3 CST

positions later in the year for Momentum Specialty Surgery Center. Bonnie Beavers has 2 CST positions at Kell West Regional Hospital.

Chad Heron asked the committee for any further discussion on local demand hearing none he moved forward.

❖ **Evaluation of facilities, equipment, and technology. Recommendation for the acquisition of new equipment and technology.**

Delayne Crow stated that through Perkins Grant funding the program purchased 15 Major Instrument Sets – for each student to check out for the year which enables them to practice outside Vernon College. With the same funding, the program purchased a Mock Medical Positioning and Procedure Manikin – for Mock Surgeries.

Chad Heron asked the committee for discussion or recommendations for new equipment hearing none he moved forward.

❖ **External learning experiences, employment, and placement opportunities**

Chad Heron asked the faculty, Delayne Crow, to brief the committee on external learning experiences. Delayne stated that Vernon College offers a job board on our website. Businesses that want to add jobs to the board need to contact Chelsey Henry. If they would like their business to be added to the Gradcast database contact Bettye Hutchins. VC subscribes to a service called GradCast to expedite student resumes.

Chad asked for any discussion, hearing none he moved forward.

❖ **Professional development of faculty and recommendations**

Chad Heron asked the committee to review the profession development opportunities that the faculty has taken advantage of during the year.

- 2022 – March went to AST Educators Conference and it is designed specifically to address the ongoing needs of surgical technology instructors and program directors. This multi-day event

gave me educator tips, tricks, and tools to stay current in the educator profession as well as the opportunity to network with fellow educators.

- June went to the AST National Surgical Technologist Conference and attended seminars and vendors that highlight the latest and greatest surgical techniques and connected me with supporting organizations from across the country.
- 2023 I will attend both conferences again.

Chad Heron asked if the committee had any further recommendations for professional development for the staff. The committee offered none, he moved forward.

❖ **Promotion and publicity (recruiting) about the program to the community and business and industry**

Delayne Crow asked the faculty, Delayne Crow, to elaborate on the promotion and publicity for the surgical technology program. Delayne shared the promotions and publicity listed below himself or students were able to attend for our community.

- Posters throughout Skill Training Center, Century City Center, and Vernon Campus with the non-traditional gender advertised
- Invites both male/female professionals to the promotional events
- Individual tours
- Facebook/Social Media
- Vernon College's Marque
- Marketing videos
- Early College Start Coordinator
- Admission Department Recruiting/Advising
- Program spotlight video used on different platforms
- Program Webpage
- Scholarships

Chad Heron asked for any discussion, hearing none he moved forward.

❖ **Serving students from special populations:**

Chad Heron asked the faculty member, Delayne Crow, to review special populations. Bettye Hutchins reviewed special population. Bettye explained what Vernon College offers students, as well as the federal guidelines.

Vernon College is an open-enrollment college. The Proactive Assistance for Student Services (PASS) department offers many services for documented disabilities such as but not limited to quiet testing, longer testing times, interpreters, and special equipment.

Vernon College has a program titled “New Beginnings” for students who qualify to receive transportation, childcare, and/or textbook loans. Perkins funding is also offering assistance to break down barriers such as uniform, supply, and equipment costs.

Peer to Peer mentoring, tutoring (online and in-person), resume building, student success series, and counseling are just a few of the other options/services available to students.

1. Special population’s new definitions:
 - a. Individuals with disabilities;
 - b. Individuals from economically disadvantaged families, including low-income youth and adults;
 - c. Individuals preparing for nontraditional fields; Insert male to female ratio
 - i. 8 Females/2 Males 2022-2023 class
 - d. Single parents, including single pregnant women;
 - e. Out-of-workforce individuals;
 - f. English learners;
 - g. Homeless individuals described in section 725 of the McKinney-Vento Homeless Assistance Act (42 U.S.C. 11434a);
 - h. Youth who are in, or have aged out of, the foster care system; and
 - i. Youth with a parent who—
 - i. is a member of the armed forces (as such term is defined in section 101(a)(4) of title 10, United States Code);
 - ii. is on active duty (as such term is defined in section 101(d)(1) of such title).

Chad Heron asked if the committee had any further discussion or recommendations. The committee offered none.
