If you're a small business owner, if you're new to HR, or if HR is one of your many responsibilities, the newly updated SHRM Essentials of HR Management course focuses on the key topics you need to know.

In 15 hours of training time, this course covers a breadth of HR issues in a condensed, easy to understand format. You'll gain practical skills to handle HR challenges that are relevant to you and can help your company avoid potentially costly lawsuits.

Newly updated with the latest HR developments, this course ensures that key HR concepts can be applied to real-life situations. The blended learning experience combines print and online tools with the benefits of an instructor-led class. By attending our course, you'll benefit from:

- The shared experiences of your instructor and peers along with networking opportunities.
- Interactive case studies designed to make you feel comfortable dealing with HR issues.
- Earning Professional Development Credits (PDCs) or recertification credit hours and a certificate upon completion.

Take steps now to strengthen your ability to handle a wide range of HR challenges. Both you and your employer will benefit from the knowledge and skills gained from the SHRM Essentials of HR Management course.
