

**2011-2012**  
**Annual Committee Report**

Committee Name: Student Core Competencies Subcommittee of Academic Council

Chairperson: Gary Don Harkey

List of members: Karen Gragg, Roxie Hill, Joe Johnston, Criquet Lehman

Dates of meetings: December 13, 2011 & May 18, 2012

Accomplishments: Reviewed newly adopted state Core Curriculum with corresponding Foundational Component Areas (8) and Core Objectives (6); Developed timeline for the development, adoption, and implementation of the new Core Curriculum; Reviewed the VALUE rubrics available for the assessment of the 6 Core Objectives contained within the new core curriculum; Reviewed knowledge and shared information gained from attendance at state and regional conferences – subcommittee representatives attended the following regional/state meetings/conferences:

NTCCC Outcomes & Assessment Conference  
TAMU Assessment Conference  
Texas LEAP Initiative meeting  
Cisco College Core Curriculum Conference

Recommendations: A faculty driven Core Curriculum Task Force should be appointed in Fall 2012 to bring forth recommendations to Academic Council relative to the adoption and implementation of the new state mandated Core Curriculum which will become effective Fall 2014.

Membership suggestions: The new Core Curriculum Task Force will include Joe Johnston, Karen Gragg, and full-time faculty members representing Mathematics & Sciences, Social & Behavioral Sciences, and Communications.

Attachment of agendas and minutes (including attendance)
