

Adjunct Dental Assisting Instructor – Continuing Education

Vernon College (VC) is seeking an adjunct instructor for the Continuing Education Dental Assisting program.

Job Summary

Instructors are responsible for teaching students in our training program in classroom and hands-on lab settings, ensuring that they gain the knowledge and skills that are required for entry-level employment in their chosen field. Instructors are also responsible for sound educational practices and the academic development of each student. Instructors will also manage their classroom environment and promote a positive and engaging learning experience, provide support, tutoring and other assistance as needed. Instructors are to "model" the professional behaviors, language, and activities expected of our students.

Minimum Requirements

- Must be a licensed dentist by the state of Texas
- Must be available to work evenings
- Strong written, oral, and interpersonal communication skills with demonstrated success in collaborating with diverse groups of employees and customers
- Demonstration of highest levels of integrity and professionalism in all aspects, including appearance, demeanor, and attitude
- Solid computer software skills including Microsoft Office

Preferred Qualifications

- Previous experience teaching in an education setting and/or experience with training employees within the industry.

Applications

Applications will be accepted until suitable candidate is secured. Qualified candidates please send a cover letter, resume, and copy of dental license to:
