Key Performance Indicators of Accountability Benchmarks

Benchmarks are used to measure performance using specific indicators. The process of benchmarking helps to identify areas for needed improvement as well as best practices which will allow Vernon College components to prioritize when developing plans for making improvements or adapting best practices to increase some aspect of performance.

- **Budget Revenue and Expenditure**
  In comparison with *IPEDS small college group - at or below the small college group total average core expenses per FTE enrollment, by function

- **Percent of 12 County Service Area High School Graduates who go to College**
  At or above 33%, the number of twelve county high school graduates who attended college that chose Vernon College.
