

Workforce Development with Critical Thinking Online

BRING YOUR

GAME

AN ENGAGING CURRICULUM FOR BUILDING WORKPLACE SKILLS

This course will focus on work ethic and the foundational skills that are the building blocks for success in every job. Earn your Certificate of Work Ethic Proficiency focused on seven workplace skills identified through the U.S. Department as necessary skills for employment.

This training will focus on the seven workplace skills that comprise work ethic:

- attitude
- appearance
- acceptance
- attendance
- ambition
- appreciate
- accountability

Includes exam for the Certificate of Work Ethic Proficiency. To earn the certification, the participant must demonstrate mastery of the work ethics concepts by earning 90% score or higher on the exam.

This course is 100% online using Canvas. If you need assistance please contact the instructor and/or the CE office immediately.
