General Information:

The Vernon College Police Department administers campus law enforcement on all instructional locations. Vernon College Police Officers are licensed Peace Officers through the Texas Commission on Law Enforcement (TCOLE) and do possess arrest power. Criminal incidents are reported to these officers as well as local agencies in the area. The Vernon College Police Department maintains a highly professional working relationship with Vernon and Wichita Falls law enforcement agencies which includes but is not limited to monitoring student-related off campus criminal activity as appropriate. All victims and witnesses are strongly encouraged to immediately report incidents in order to assure timely warning notices can be made available to the campus community.

The mission of the Vernon College Police Department is to support the mission of Vernon College by creating a safe and secure environment where teaching, learning, and leading can be achieved.

The VC Police Department will serve as a model for other College Police Departments by selecting highly-trained personnel and by providing cutting-edge police services.

The VC Police Department is located in the Osborne Administration Building located at 4400 College Dr. in Vernon, Texas. It is comprised of a Director of Campus Police, two Sergeants, two full-time Police Officers, and is supported by a force of ten part-time law enforcement officers from local agencies in the service areas. Officers are individually assigned to each of our locations Vernon, CCC, and STC daily. We also work closely with law enforcement agencies in the jurisdictions of all our locations.

The VC Police Department personnel pride themselves with the use of good moral values and professionalism. We strive to promote and maintain a safe higher education learning environment for all our students, staff, and community. We achieve this through mutual trust, fairness, and dignity as we pursue our mission and the mission of Vernon College.

Institutional Security Policies and Crime Statistics

Vernon College shares the commitment of providing students and employees with a safe environment in which to learn and work. In compliance with the Jeanne Cleary Disclosure of Campus Security Policy and Campus Crime Statistics Act, Vernon College publishes an Annual Security Report regarding campus security and personal safety topics. The report includes statistics for the previous three years concerning reported crimes which occurred on-campus and in appropriate off campus and/or public owned facilities. The report also includes institutional policies concerning campus security, such as policies concerning the reporting of offenses or incidents, sexual assault, and drugs and alcohol. The Annual Security report is designed as a resource for sharing information that students and employees may need in order to make informed decisions.

Procedures for Reporting Crimes & Other Emergencies

For the convenience of students and employees, guidelines for reporting offenses and incidents, as well as designated campus security authorities are listed in the Emergency Procedures on the Vernon College web site at: <https://www.vernoncollege.edu/emergency-management>. This site includes emergency phone numbers for campus police authorities who include, but are not limited to Campus Police, Vice President of Student Services, Vice President of Instructional Services, Director of Human Resources and Director of Physical Plant. Emergency Notifications will be confirmed, determined and initiated by Vernon College Police Department.

The Vernon College Police Department and the Vernon Police Department and the Wichita Falls Police Department have a mutual aid and working agreement. Each department augments the other within their jurisdictions during mutual investigations, arrest, and prosecutions. Vernon College Police Department personnel attend regular meetings with local law enforcement agencies to exchange ideas and problems which may be of concern for the college community.

Dispatchers are available at these respective telephone numbers 24/7/365 to answer your call. In response to a call, VC Police or the contact department representative (VCPD or WFPD) will take the required action, dispatching an officer, or asking the victim to report to the VC Police to file an incident report.

All VC Police incident reports are forwarded to the Vice President of Student Services office for review and potential action by them. Investigators will investigate a report when it is deemed appropriate. Additional information obtained via the investigation will also be forwarded to the Vice President of Student Services.

If assistance is required from the Vernon Police Department or Wichita Falls Police Department VC Police will contact the appropriate unit. If a sexual assault or rape should occur, staff on the scene, including VC Police, will offer the victim a wide variety of services. The Vernon Police Department/Wichita Falls Police Department as well as jurisdictional county sheriff’s office has a Sexual Assault Crisis Consultation Team that has trained members who are available to assist a victim 24/7/365.

Crimes should be reported to the VC Police to ensure inclusion in the annual crime statistics and to aid in providing timely warning notices to the community, when appropriate. For example, a crime that was reported only to the Rape Crisis Center would not be included in the VC Police crime statistics.

Persons who need assistance or need to report an offense or incident should contact campus security authorities, as listed above, to inform of the following information:

1. Name of person making report and victim, if different
2. Address of person making the report and victim
3. Telephone number of person making the report and victim
4. Location of incident
5. Brief description of incident (burglary, rape, theft, indecent exposure, obscene phone calls, suspicious persons, vandalism, bomb threat, shooting, disturbance, sexual assault, etc.)
6. If desired to be contacted by officer, location and contact information
7. Suspect information, if known, such as name, race, age, weight, height, tattoos, rings, etc.
8. Vehicle information, if known, such as color, year, make and model, body type, license plate number
9. Advise last known direction of travel of suspects or persons involved in reported incidents.

Security and Access to Facilities

Vernon College strives to maintain a safe and secure atmosphere for members of the student body, faculty, staff, and the general public so that they are not unreasonably concerned for their personal safety. The College, as with any other public or private entity, cannot guarantee a crime free living or working environment. Access to Vernon College instructional locations during business hours (excluding certain housing facilities) is open to students, employees, contractors, guests, and invitees. During non-business hours, access to all Vernon College facilities is by key, if issued, or by admittance via the Campus Police or Student Residence Center staff. Residence halls are secured 24 hours a day. Students are instructed to keep their room doors locked at all times. Over extended breaks the doors of all halls will be secured around the clock.

Security Awareness and Crime Prevention Programs are sponsored by various Vernon College entities through the support of the Vernon College Police throughout the year. Staff Development in August includes a presentation by the Human Resources Department/Vernon College Police to discuss emergency procedures. Mandatory orientation, under the leadership of the Director of Housing, is conducted in August for all students residing in Vernon College Housing. Orientation agendas include detailed information from the Vernon Campus Police in the areas of personal safety and theft protection. Emergency Procedures, developed by the Security, Safety, and Health Committee, are listed by link on the Vernon College home page. The Vernon College Student Update is another tool used to provide security awareness and crime prevention information to students. Accordingly, it is the responsibility of members of the college community to act in a security – conscious manner, and to avoid actions that jeopardize their security as well as the security of others.

Crime Statistics

Vernon College will use the Federal Bureau of Investigation's National Incident-Based Reporting System (NIBRS) typology for campus crime reporting as mandated by the Campus Security Act (1990, 1994). Crime statistics and policies to be reported for each campus include: murder, forcible or nonforcible sex offenses, robbery, aggravated assault, burglary, motor vehicle theft, manslaughter, arson, arrests or disciplinary actions for liquor law, drug-related and weapons possession violations, hate/prejudice crimes, domestic violence, dating violence and stalking incidents. Definitions are extracted from three sources, the Federal Bureau of Investigation's Uniform Crime Reporting Handbook, the National Incident-based Reporting System edition of the Uniform Crime Reporting Handbook, and the Higher Education Amendment of 1998. For reference, please use the link below or see Crime Awareness Statistics on the last two pages of this document.

Drug and Alcohol Policies

In accordance with the Drug-Free Schools and Communities Act Amendments of 1989, Vernon College prohibits the possession, use or distribution of illegal drugs and alcohol on College premises or as part of any College sponsored event. The college has developed this policy, not only in response to the federal drug-free legislation, but also in an attempt to provide a healthy environment by preventing the use of illegal drugs or the abuse of alcohol within the College community. Information on the effects of specific drugs and alcohol, and drug counseling resources in Vernon, Wichita Falls, and surrounding areas is available through the Vernon Campus Health Care Clinic or by contacting a counselor in the Student

Services office at the appropriate instructional location. The College's counselors are trained to assist students through counseling and referral to specialized substance abuse programs. The Vernon College counseling provides information on drug and alcohol awareness to students as a reminder of the dangers and consequences of manufacturing and usage: [Drug & Alcohol Abuse Prevention](#).

Registered Sex Offenders Disclosure can be obtained through the Texas Department of Public Safety Crimes Record Service at: <https://records.txdps.state.tx.us/DpsWebsite/Index.aspx>.

Emergency Response and Evacuation Notification Policies and Procedures

Immediate emergency response and evacuation procedures are published through Alert/Media which is a new communication tool Vernon College has implemented to enhance the security of our instructional locations. Alert/Media ensures timely emergency communication and aides in giving peace of mind to students, parents, and community members. Alert/Media publishes emergency information to the Vernon College website, mobile app, Facebook, and Twitter. Alert/Media also generates text-to-speech phone calls and SMS messages for subscribers. The types of notifications Alert/Media submits will follow the Emergency Operations Plan (EOP) which has been formally adopted by Vernon College. The EOP commands are Avoid, Deny, Defend (ALERT). The EOP is displayed in each classroom and throughout Vernon College instructional locations. In addition, emergency phones are strategically located throughout each instructional location to be used in emergency situations only. The emergency phone are for dialing "911" or the campus operators to report emergencies. All students, faculty and staff are to follow all instructions (EOP) transmitted via the emergency phone intercom system. The Emergency Operations Management Services are listed on the Vernon College web site at: <https://www.vernoncollege.edu/emergency-management>. The Emergency Management Operations are tested, trained, publicized and reviewed on an annual basis.

Timely Warning Reports, issuance of timely warnings, alert the campus community of Clery Crimes that pose a serious or continuing threat to the campus and surrounding community. Timely warnings will be disseminated throughout the community as soon as pertinent information is available and will provide information that will allow the community to take precautions to protect themselves and prevent similar crimes from occurring when deemed necessary by the Vice President of Student Services and Campus Police. Issuance of emergency notifications, alert and inform the campus community about a "significant emergency or dangerous situation involving an immediate threat to the health or safety of students or employees occurring on the campus." As considered best practice, Vernon College maintains proper communication with area law enforcement authorities to ensure related timely warnings are publicized. Confidential reporting procedures are honored, as deemed appropriate through state law and practicality, when it is the wish of the victim or witness to keep the matter confidential while striving to ensure the future safety of her/his self and others.

Crime Logs

Vernon College will make, keep and maintain daily logs of crimes reported to police department. Daily crime logs must include but not be limited to nature, date, time, as well as, general location and disposition of the complaint, if known. VC will update logs with new information when available but not later than two business days. Campus crime statistic logs will be made available to the public except where prohibited by law or when disclosure would jeopardize the confidentiality of the victim. VC reserves the right to withhold information when the release would jeopardize the investigation or the safety of an individual until the damage would no longer occur as a result of the release of information. VC will make the crime log for the most recent 60 day period open to public inspection during normal business hours. The crime log older than 60 days will be available within two business days of a request for public inspection.

Sexual Assault, Dating Violence, Domestic Violence and Stalking

In accordance with the Violence Against Women Act of 1994, the terms sexual assault, domestic violence, dating violence and stalking are defined as follows:

- Sexual Assault-an offence classified as a forcible or nonforcible sex offence under the uniform crime reporting system of the Federal Bureau of Investigation.
- Domestic Violence-a felony or misdemeanor crime of violence committed by a current or former spouse or intimate partner of the victim; a person with whom the victim shares a child in common; a person who is

cohabitating with or has cohabitated with the victim as a spouse or intimate partner; a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction receiving grant monies; or any other person against an adult or youth victim who is protected from that person's acts under the domestic or family violence laws of jurisdiction.

- Dating violence-violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim; and where the existence of such a relationship shall be determined based on a consideration of the following factors: length of the relationship; the type of relationship; and the frequency of interaction between the persons involved in the relationship.
- Stalking-engaging in a course of conduct directed at a specific person that would cause a reasonable person to fear for his or her safety or the safety of others; or suffer substantial emotional distress.
- Vernon College strictly adheres to State of Texas definitions of consent as outlined in its criminal code.

Physical Evidence Preservation Suggestions Specific to Sexual Assault

- Because some evidence, particularly evidence that may be located on the body, dissipates quickly (within 48-96 hours), individuals who have been sexually assaulted and wish to preserve evidence should go to a hospital or medical facility immediately to seek a medical examination and/or evidence collection. Under Illinois law, any cost for an emergency medical or forensic examination for a victim of sexual violence that is not covered by private insurance or Illinois Public Aid will be covered by the Illinois Department of Healthcare and Family Services, and should not be billed to the patient.
- An individual who has been sexually assaulted and wishes to preserve evidence should, if possible, not shower, bathe, douche, smoke, brush teeth, eat, drink, use the bathroom, or change clothes or bedding before going to the hospital or seeking medical attention.
- If the individual who has been sexually assaulted decides to change clothes or bedding, and wishes to preserve evidence, they should not wash the clothes worn or bedding used during the assault, and should bring them to a hospital, medical facility, or the police in a non-plastic (e.g. paper) bag.
- In Illinois, individuals who have been sexually assaulted may allow the collection of evidence even if they choose not to make a report to law enforcement. After the evidence is collected, Illinois law requires hospital staff to store it for two weeks. A sexual assault evidence collection kit may not be released by an Illinois hospital without written consent from the survivor.

In instances where sexual assault, dating violence, domestic violence or stalking is alleged, the victim is strongly encouraged to report the incident. The campus offices authorized to deal with sexual assault allegations are the Dean of Student Services, the VC Campus Police and/or Student Success. By contacting one of these offices, the victim will be informed in writing of his/her voluntary/confidential reporting rights and given specific information as how to go about bringing formal charges against the accused. The procedures for on-campus disciplinary action will be the same as those outlined in the Student Handbook and the Employee Handbook for any other alleged violation of the Student or Employee Code of Conduct. After conferring with the student, an incident is to be referred to law enforcement authorities, and this action would then be pursued by the appropriate law enforcement authorities. Vernon College recognizes that the preservation of evidence is critical for criminal prosecution. Students and employees are hereby advised that they have the option of pursuing their allegations either through the Office of the Dean of Student Services, under the Student Code of Conduct, or through the appropriate law enforcement authorities under certain criminal and/or civil laws and requirements, or both. Pursuing allegations through both authorities does not constitute double jeopardy. Institutional personnel will assist the student in notifying these authorities if requested by the student. Ultimately, it is the student's option as to whether or not they want to pursue allegations through both authorities. Vernon College upon written request, disclose to the alleged victim of a crime of violence (as that term is defined in Section 16 of Title 18, USC), or a non-forcible rape sex offense, the report on the results of any disciplinary proceeding conducted by Vernon College against a student who is the alleged perpetrator of such crime or offense. If the alleged victim is deceased as a result of such crime or offense, the next of kin of such victim shall be treated as the alleged victim.

Procedures for Disciplinary Action:

The accuser and the accused are entitled to the same opportunities to have others present during a disciplinary proceeding. Both the victim and the accused have the option to appoint an advisor from campus faculty/staff of their choice. Both the accuser and the accused must be informed simultaneously in writing of the outcome of any institutional disciplinary proceeding brought alleging a sex offense. Depending upon the severity of the incident, those persons found guilty of sex crime would be subject to a range of penalties; e.g. mandatory counseling, suspension, or dismissal from VC, as well as other sanctions outlined in the Student Handbook and Employee Handbook. The institution's procedures for the accused and the victim to appeal the results of the institutional disciplinary proceedings are outlined in the Student Handbook and Employee Handbook.

Rights/Support for Victims:

Every effort will be made to provide victims of sexual assault written notification of their rights including medical and psychological referrals for treatment as soon as possible.

- **Changing Academic and/or Living Arrangements:** When appropriate, and in respect for the rights of victims and accusers, academic and/or on-campus living arrangements may be modified as the direct result of an alleged sexual assault. This action may be taken when requested by the victim or accuser and if such modifications are reasonable and available. These arrangements would be coordinated through the Dean of Student Services office.
- **Counseling Services:** Those students who have become victims of a sex crime are eligible for and encouraged to take advantage of the counseling services offered by a VC counselor. Referrals to other community support services will be made when appropriate. Various programming to address sexual assault, including rape and acquaintance rape, dating violence, domestic violence and stalking is available throughout the academic year. In addition to annual information booths provided by the local domestic violence shelter, programs are conducted primarily by the VC counselors. Additional information as well as literature is available through the VC counselors, the Dean of Student Services office, and the Health Care Clinic.

Ongoing Educational Programming to promote awareness and prevent sexual assault, including rape and acquaintance rape, dating violence, domestic violence and stalking is available throughout the academic year. Information on risk reduction to recognize warning signs of abusive behavior and how to avoid potential attacks is available throughout the academic year. In addition to annual information booths provided by the local domestic violence shelter, programs are conducted primarily by the VC counselors. Additional information as well as posters and literature are available through the VC counselors, the Dean of Student Services office, and the Health Care Clinic. In compliance with the Higher Education Act of 1965, Vernon College prohibits the offenses of domestic violence, dating violence, sexual assault and stalking. Vernon College does not encourage bystander or witness intervention in assaults of any kind, but provides safe and positive options such as highly encouraging witnesses or bystanders to immediately contact law enforcement or institutional personnel in the event of an incident or suspected incident. More information can be found on our website at: <http://www.vernoncollege.edu/campus-save-act>.
