Eligible students must have been enrolled for Spring 2020 semester, must have met Title IV eligibility requirements, and must have completed their file in the financial aid office. Additionally, the U.S. Department of Education determined students enrolled solely in on-line classes, students who withdrew from all of their classes prior to March 13, 2020, dual credit students, and international and undocumented students were not eligible for federal grants.

Recipients were required to complete a CARES Act Emergency Student Aid Certification.

The award amount, \$694.03, was determined by dividing the allocation by the number of students who submitted a valid certification form.

7. Any instructions, directions or guidance provided by the institution to students concerning the Emergency Financial Aid Grants.

Once eligible students were identified, an email that contained a link to the CARES Act Emergency Student Aid Certification form was sent to students. The certification form instructed students to indicate what expenses they had incurred that were related to the disruption of campus operations due to Coronavirus (COVID-19), and to return the completed form to the financial aid office.
