Program statistics: Graduates, majors, enrollment	Katrina stated that the day program that ended May 2011 had 15 graduates and 11 students who have taken and passed their PTCB exam over the Summer. The night program that ended in December 2012 had 4 graduates with 3 students who have taken and passed the PTCB exam. Katrina stated that a new day program that started in August 2012 and had 13 students and continues with 13, with all planning to graduate in May 2013.
Goals and Objectives, program outcomes	The meeting was very short due to the lack of people able to attend. All members were given the appropriate information to read over and then submit their approval via email. All members voted to accept current goals, objectives and program outcomes.
Review strategic plan, requirements for admission, successful completion of program and experiential training sites	The meeting was very short due to the lack of people able to attend. All members were given the appropriate information to read over and then submit their approval via email. All members voted to accept the current Vernon College strategic plan, requirements for admission into the pharmacy technician program, successful completion of program, and the current experiential training sites.
Evaluation of facilities, equipment, and technology	Katrina was able to give a tour of the new pharmacy lab that had been built this past Summer. The program now has a large lab with a clean room and functioning community pharmacy. Each student has a laptop that is used in the labs. Katrina is still taking any donation any supplies that the members can offer. Perkins funding also was used to obtain a unit dosing system that was used this past Fall. The members were impressed by the lab and are encouraged that they will get an advantage to the education/practicum experiences.
Adjourn	Meeting adjourned by Gary Schultz at 7:50.
