

**2012-2013
Mid -Year
Committee Report**

Committee Name: Vernon College Machining Advisory Committee

Chairperson: Mark McMullen

List of members: Mark McMullen, Lisa McDaniel, Scotty Francisco, Gary Land, Kitty Howard, David Kulbeth

Dates of meetings: 10-10-2012

Accomplishments: Members agreed that the workplace competencies that were set last year are current and the only changes needed are to show the change to more hands on learning and include troubleshooting and inspection.

Recommendations: Recommended having a machining track added to the Industrial Automation Systems degree program. This would enable students who wished to complete a degree to have a pathway to accomplish it.

Membership suggestions: None
