

The Facilities Committees met on February 21st, 2014 using ITV rooms 423 in Vernon and 717 at Century City.

Those in attendance were –

Garry David (Chair), John Mahoney (Vernon Facilities Manager), Dr. Gary Don Harkey, Joe Hite, John Hardin, Dr. Karen Gragg, Shana Munson, Greg Fowler, Michelle Wood, Mark Holcomb, Kim Bateman, Scott McClure Absent were Jack Williams, Joey Lama, Tony Perez, Ann Schultz, Joe Johnston.

We first reviewed the Facilities Priority Ranking from last year line by line. The facilities managers reported on the progress of any items that had already been completed or were currently in progress. Remaining items were then discussed and ranked as to when the committee felt they need to be addressed i.e. – Current year, next year (2014-2015), 2 to 3 years out, beyond 3 years or, no longer needed. I then reviewed the Facilities portion of the 2014-2015 Annual Action Plan to insure all items were discussed and added to the Priority Ranking with appropriate ranking.

February 25th I reviewed the Priority Ranking with the President and deans Hite and Hardin and associate dean Munson to further prioritize and pare the current year items down to fit within available budget dollars.

Our recommendations are summarized in the attached All Campuses Priority Ranking.
