Vernon College
SACS COC Substantive Change Letter of Notification

Vernon College is approved to offer more than 50% of a program online. The purpose of this notification is to alert SACS COC that due to a robust dual credit program in partnership with secondary schools in our service area, the potential exists for

Crowell High School, 400 East Logan, Crowell, TX 79227

to offer, over a two year period, a delivery mode of more than 25% and less than 50% of the Associate of Arts, Associate of Science and Associate of Arts in Teaching degrees through on-site dual credit courses included in our core curriculum. The course offerings and delivery modes typically change from semester to semester based on the high school needs, instructor availability, resources, and emerging technologies.

Please contact me with any questions.

Kindest regards,

Betsy Harkey, Director of Institutional Effectiveness
and SACS COC Liaison
