

QEP Development Task Force Update
College Effectiveness & Student Success Data Committee
January 20, 2017

The QEP Planning Committee and QEP Development Task Force met on December 9, 2016. Also in attendance were the Instructional Services Directors, Division Chairs and Coordinators and the President's Team members. Joe Johnston, Brad Beauchamp and Criquett Lehman outlined the Quality Enhancement Plan including goals and student learning outcomes.

Criquett Lehman presented a QEP Update to all employees during Spring Kickoff on January 9, 2017. The timeline was reviewed with future initiatives focusing on promotion, orientation, and education.

Joe Johnston, Brad Beauchamp and Criquett Lehman provided an orientation to all faculty on Friday, January 13, 2017. A staff orientation is scheduled for Friday, January 20, 2017.

QEP Goals:

- Developing and assisting faculty in adopting best practice Inquiry Based Learning strategies.
- Creation of a structure that aids in identifying and aiding student achievement
- Increasing student attainment/learning through the use of Inquiry Based Learning.

QEP Student Learning Outcomes:

- Formulate a clear question, thesis, problem statement or hypothesis.
- Collect information/data or identify appropriate process.
- Evaluate and analyze information to address the question, thesis or statement.
- Present findings in a discipline specific way.

Members of the QEP Development Task Force and Integrated Marketing/Recruiting Committee are in the process of selecting a QEP logo. The next QEP Development Task Force meeting is scheduled for Friday, January 27, 2017.
