

2019 CCSSE Administration Timeline

- **Community College Survey of Student Engagement.** Out of a 10-step process, Vernon College is now is the last step of the 2019 [CCSSE](#) administration. The CCSSE asks students about institutional practices and student behaviors that are highly correlated with student learning and retention. All 59 CCSSE surveys were administered, collected and returned to the Center for Community College Engagement before the May 08 deadline. A big “thank you” to Kate Kennedy, Janice Turvaville, and Debbie Richard for their work in administering the surveys!
- **Community College Faculty Survey of Student Engagement.** [CCFSSE](#) is the faculty companion within this assessment process. The CCFSSE elicits information from faculty about their perceptions regarding students' educational experiences, their teaching practices, and the ways they spend their professional time—both in and out of the classroom. The Center for Community College Engagement electronically disseminated the CCFFSSE to all 91 faculty during the Spring 2019 term. As of 04-24-2019, 48 faculty have completed the survey, yielding a 52.7% response rate. The survey closes May 08.

- **Print Copies.** Ten print copies of the “Key Findings” report will be sent to Dr. Johnston mid-August 2019. Donnie Kirk will make those reports available to key offices upon receipt.
