Housing & Food Service Committee
Unofficial meeting
December 2, 2014
10:30am Faculty/staff lounge

Members Present: Teresa Willett of Great Western Dining, Sjhontont Fanner, Kelly Eason, Brittany Lilly (Softball/Housing Assistant), Jordan McCavitt (Baseball/Housing Assistant), Chauncey Garramone (student), Laura Hernandez (student)

Sjhontont Fanner and Kelly Eason met with the Teresa Willett of Great Western Dining to discuss meals and the students' comments and remarks on the food service surveys that were done at thanksgiving the previous year. Also the housing staff discussed the student's housing surveys and if anything could be done to make the housing a more enjoyable experience.

- We decided that the dorms need a security camera in the lobby and in the parking lots.
- We also talked about the students doing a "Favorite Meal" student of the week program. Great Western Dining was very accommodating and said she would be more than happy to make special meals once a week.
