

ERP/SIS Update

For the month of January 2018

For the month of January 2018, the ERP/SIS Director has the following updates:

- The Dynamics GP/ReqLogic/Greenshades follow-up set-ups are continuing to be refined and adjusted according to departmental needs.
- All full-time, part-time, and adjunct faculty, staff, and administration are continuing to be trained as needed on the new systems in either a live group training session, one on one training session, or an online training.
- U4SM is continuing to configure the base product for Vernon College's specific needs.
- Data conversion for U4SM has continued with the first capture of data submitted for review, verification, and cleanup.
- Data from years 2009-2016 have been captured from Poise and translated into Excel. Data is continuing to be captured and scrubbed for inconsistencies and errors. The data will be scheduled for validation against the Poise database to ensure accuracy.
- U4SM Representatives will continue to meet with the ERP/SIS Director to discuss next steps.
- U4SM is reviewing the conducted gap analysis of the data collected from the initial discovery sessions in 2016.
- The next scheduled onsite U4SM visit is March 6-8, 2018. During this meeting, the Implementation Team will facilitate data validation training.
