Report

Both

Highlights of data: Each CTE program is required to have a workplace competency whether that is a course or a licensure exam. The attached document outlines the workplace competencies submitted to Academic Council for 16-17. Data collected for the competencies is usually reported on the Licensure/Certification KPIA report.

Use of data:

Data will be used for reporting for licensure/certification to the THECB and for comparing our data to the THECB reports.

How associated to Student Success? The VWC is evidence the student has attained basic skills competencies required for employment in career field.

Where the report can be found: Associate Dean of Instructional Services
