Assessment Activity/Report Communication Form
2016-2017

Title: CBM 00M Occupational Skills Ach Report

Date of completion: 10/21/2016

Highlights of data: Occupational Skills Achievement Awards consist of courses that provide workforce skills for basic entry level employment in a vocational career field. The awards consist of career or technical credit programs of 9-14 semester hours or a continuing education program of 144-359 contact hours. The awards meet standards of the Workforce Investment Act, but are too short to qualify as a THECB approved certificate of completion. 331 Marketable Skills Achievement Awards were awarded for 2015-2016. Detailed highlights of the report may be viewed on the THECB 00M Report Edit available in the Admissions and Records Office.

Use of data: Data used to demonstrate accountability in terms of student preparedness for possible employment.

How associated to Student Success? Measure of student success by number of awards earned.
