Assessment Activity/Report Communication Form
2018-2019

Title: THECB State Budgets Report

Date of completion: February 15, 2019

Highlights of data: Any institution wishing to participate in state financial aid programs must submit budget information to the coordinating board by April 1 of each year. Our information was submitted and certified on February 15, 2019.

Use of data: Budget components consist of tuition and fees (15 SCH per semester), books and supplies, room and board, transportation, personal and miscellaneous expenses. These figures are used by the financial aid office when determining a student's financial need.

How associated to Student Success? In order for students to receive financial aid their financial need must be calculated. These figures are used in that calculation.
