2018-2019

Title: ESCR Data Fall 2018

Date of completion: March 2019

Highlights of data: The benchmark for student achievement of core objectives at Vernon College is set at 75%. Instructors reported attainment over 75% for all six core objectives. All objectives showed attainment of over 80%.

| Core Objective | Total Students | % of Students at or Above 70% |
|-------------------------|----------------|-------------------------------|
| Communication | 10358 | 83.9% |
| Critical Thinking | 10307 | 84.2% |
| Empirical/Quantitative | 4458 | 82.6% |
| Personal Responsibility | 5364 | 82.8% |
| Social Responsibility | 4488 | 82.0% |
| Teamwork | 2984 | 83.2% |

Use of data: Instructor professional development and curricular changes at the department and course level are driven by the instructors' reflections when completing the ESCR. Instructors completed 89 unique ESCRs during Fall 2018.

How associated to Student Success? Using core objective attainment level and grade distributions, instructors reflect on student success across all six core objectives and course level learning outcomes. Individual reflection and departmental discussion act as catalysts for curricular changes at the course level and increased student success on objectives.
