- Additionally, the form is used to identify equipment, materials, supplies, and furnishings needed to deliver high-quality instruction. The CTE, CE and Discipline programs request totals for equipment, technology, and curriculum materials for 2018-2019 totaling:

\$ 309,741.18
- The complete repair and request list was forwarded to the Vice President and Dean of Instructional Services.
- Included in the lab evaluation is a list of the inventories of equipment and computers.

Use of data:

The information from the Lab Evaluation reports is used to plan maintenance and repair of facilities, to analyze use of the facilities, and to plan for optimum use. The inventory lists include timelines for replacement of equipment. This is especially useful for planning the cycle for computer replacement.

CTE programs and academic disciplines use the evaluation reports for preparing budget requests. Also, they are used for developing the Perkins Basic grant activities and budgets.
