2018-2019

Board of Trustees Self-

Title: Reflection/Evaluation

Date of completion: 4.15.19

Highlights of data:

The 2019 Self-Reflection Questionnaire was administered during January/February 2019. Six Board of Trustees members participated. Twelve questions were directly aligned with SACSCOC standards. Eleven of the twelve questions received %100 for "Clearly understand Board responsibilities." One question received one request for "review of Process/Policies."

Use of data:

The Board of Trustees Self-Reflection document questions are primarily gleaned from SACSCOC criteria/expectations for Board of Trustees functions and duties. Board members are provided the opportunity to measure understanding as well as request additional training/information. The data/feedback from the Questionnaire is used as a resource when developing the annual Board Retreat agenda.
