Title: **Occupational Skills Award Report**   **Date of completion:**   Aug. 29, 2019

Highlights of data: THECB defines marketable skills as 9-14 SCH or 144-359 CE hours. Attached is the 19-20 occupational skills awards for the general catalog after they are approved by Academic Council.

Use of data: Data will be used for reporting on the CBM00M to the THECB and for comparing our data to the THECB reports.

How associated to Student Success? Occupational skills are a way of capturing students who may have not completed an entire certificate or degree program but has still attained enough skills to get a job in the career field.

Where the report can be found: Dean of Instructional Services
