Assessment Activity/Report Communication Form
2018-2019

Student End of Semester Report (Spring)

Title: CBM 0E1

Date of completion: 06/20/2019

Highlights of data: The Spring 2019 includes 182S, 182T, 181D, 183T
There were 2,858 students reported for 2019
Academic Contact Hours = 296,928
Technical Contact Hours = 193,296
Semester Credit Hours = 23,630

Use of data:

The CBM0E1 reflects students enrolled as of the final day of each semester. If a student withdraws from a class on or before the census date, the semester credit hours from that class will not be included in this report (no record for the student is submitted if the student withdraws on or before the census date). If a student withdraws from a class after the census date, that class enrollment will be reported so that the CBM0E1 record matches the individual course records on the CBM00S. Students in flex courses will be reported on the CBM0E1 in the semester they are reported on the CBM00S, even if they are not enrolled on the final day of the semester.

How associated to Student Success? Can be used to determine punitive grades for students by semester.

Where the report can be found: Admissions & Records Office
