**2018-2019**

**Title:** DWI Intervention Annual Report

**Date of completion:** 7/12/2018

**Highlights of data:**

There were 58 total students enrolling in the DWI Intervention program. 55 of those students successfully completed the program. There were four Intervention courses offered from September 1, 2017 to August 31, 2018. Two instructors are listed as viable instructors for this state required course. Four English courses were offered, zero Spanish/other language courses were offered for 2017-2018. All 55 certificate numbers for specific students are provided in this report. We must also report the listed instructors with number of courses taught to the state.

Linda Kalski – 4 courses

Randy Neff – 4 courses

This program annual report is specifically for program certification #DWII 791.

**Use of data:**

To certify with the Offender Education Group; Texas Department of Licensing and Regulation information needed for successful completion for students record keeping and reporting for the state of Texas. In 2018, The Texas Department of State Health Services transferred reporting to The Texas Department of Licensing and Regulation for DWI Intervention.

**How associated to Student Success?**

Completion of this report shows students who completed second offender course material. We are able to show all completers and non-completers to report those numbers to the Texas Department of State Health Services.
