THECB Financial Aid Database (FADB)

**Title:** Report 3

**Date of completion:** December 3, 2019

**Highlights of data:** The FADB provides information on all merit, need based and non-need based financial aid recipients for the 2018-19 year. The data includes cost of attendance and the resources used by students to cover that cost, and includes the amounts and types of financial aid received by students. The report had to be submitted, error free, reconciled, and certified and by November 14. Our report certified December 16. Our 2018-19 FADB reported information on 3,118 credit students and reported \$5,429,402 in grants, \$5,364,992 in loans, and \$101,268 in work-study for a total of \$10,895,662 (this does not include scholarships, tuition waivers or third party awards). The total financial aid awarded to all students in 2018-19 was \$13,581,338 to 2,968 students (credit and continuing education).

**Use of data:** The current Appropriations Act directs the Coordinating Board to present an annual report to the Legislative Budget Board each calendar year concerning student financial aid at Texas public and independent institutions of higher education. The FADB provides the state a means of accurately measuring the financial aid resources available to Texas students and is used as a basis for equitably distributing state aid among institutions.

**How associated to Student Success?** Many students would not be able to enroll in VC without the services and assistance provided to them by the financial aid office.
