Assessment Activity/Report Communication Form
2019-2020

Board of Trustees Self-

Title: Reflection/Evaluation

Date of completion: 4.07.2020

Highlights of data:

The 2020 Self-Reflection Questionnaire was administered during February and March 2020. Five Board of Trustees members participated. Twelve questions were directly aligned with SACSCOC standards. Eleven of the twelve questions received %100 for "Clearly understand Board responsibilities." One question received one request for "review of Process/Policies." A new question was added to measure interest in participating in national associations and/or conferences.

Use of data:

The Board of Trustees Self-Reflection document questions are primarily gleaned from SACSCOC criteria/expectations for Board of Trustees functions and duties. Board members are provided the opportunity to measure understanding as well as request additional training/information. The data/feedback from the Questionnaire is used as a resource when developing the annual Board Retreat agenda.

How associated to Student Success?
