Title: Occupational Skills Award Report

Date of completion: 3-3-2020

Highlights of data: THECB defines marketable skills as 9-14 SCH or 144-359 CE hours. Attached is the 20-21 occupational skills awards for the general catalog. These were approved by Academic Council on Feb. 21, 2020. See below.

Use of data: Data is used for reporting on the CBM00M to the THECB and for comparing our data to the THECB reports.

How associated to Student Success? Occupational skills are a way of capturing students who may have not completed an entire certificate or degree program but has still attained enough skills to get a job in the career field.
