Please circle:

Assessment Activity

Report

Both

Highlights of data:

The following CTE programs submitted award completer form for fall 2012:

Computer Information & Sciences – 5

Cosmetology – 11

Health Information – 3

HVAC – 4

LVN – 54

Welding - 7

Use of data:

Reporting CTE program completers is a tool for encouraging more students to apply for graduation and to insure all students who complete a CTE award are counted. The number of program completers is one of the measures of Institutional Effectiveness.

How associated to Student Success?

Students who have completion of a CTE award recorded on their transcripts can use this as evidence of attaining occupational skills and knowledge on employment applications.

Where the report can be found: Office of the Assistant to the Dean of Instructional Services
