

Vernon College

Assessment Activity/Report Communication Form 2011-2012

Title: Dental Assisting Testing Date of completion: May 23, 2012

Please circle: **Assessment Activity** **Report** **Both**

Highlights of data:

15 Students completing the dental assistant program took their registration exam on May 10, 2012. The entire class passed their registration exam giving them a 100% pass rate.

Use of data:

The testing pass rates indicate how prepared students are for their licensure exam.

How associated to Student Success?

Student success is only achieved if a student can take skills learned at Vernon college and apply them to be productive citizens. Passing their licensure exam is essential.
