- 1891 Accuplacer tests given and 82% of those were given in Wichita Falls at CCC
- 201 EMT certification tests given in (this is the first year we have offered these)
- 141 VCT and correspondence tests given
- 203 RN entrance tests given
- 342 LVN entrance tests given

### Use of data:

Vernon College uses this data as evidence of the effectiveness of our Testing Centers. It helps us to provide adequate resources to maintain a professional level of services at each campus.

### How associated to Student Success?

We provide the ability to test as prestudents, current students, or after completion of a program at convenient times so that students do not see testing as a hurdle or obstacle to their education. It is also important that we are able to provide a optimal level of validity and reliability for testing students.
