Assessment Activity/Report Communication Form 2011-2012

Title: Health Clinic Annual Report Date of completion: 9/9/11

Please circle: **Assessment Activity** **Report** **Both**

Highlights of data: The Health Clinic Annual Report keeps track of all visits to the Health Clinic. In Academic Year 2010-2011 there were 266 visits to the clinic and 77 flu shots given. October and February were the busiest months.

Use of data: This data provides rationale for keeping the Vernon Campus Health Clinic open and justifies the current hours of operation.

How associated to Student Success? The Vernon College Health Clinic provides another recruiting tool for the Vernon Campus. It shows the college's commitment to the health of our students – in particular those residing on campus.
