Title: THECB Year End Report **Date of completion:** June 4, 2012

Please circle: **Assessment Activity** **Report** **Both**

Highlights of data: Each institution participating in State Work-Study program is required to submit a year-end report to the Coordinating Board by June 15th. During the 11-12 year, 5 students received \$12,320 in SWS funds. Previously this report also included LEAP, SLEAP and Nursing Scholarship information. However, due to funding cuts, these programs were not funded for the 11-12 year. The coordinating board is hopeful they will be funded in the future.

Use of data: Any institution that has not certified its year end data by the due date is subject to penalties. Our report was certified on June 4th.

How associated to Student Success? This program assists students with the cost of attending VC.
