### Highlights of data:

The Uniform Recruitment and Retention Report was submitted on November 22, 2010. The Texas Higher Education Coordinating Board requests the report and dictates the timeline for completion as well as the requirements for content. This year's reporting format was changed from an almost strictly quantitative report to a 1000 character narrative report. The report reported programs that Vernon College is highlighting to help meet *Closing the Gaps* legislative requirements.

### Use of data:

In past years, Vernon College has always received feedback from the report sometime during the spring semester. The report provides Vernon College an opportunity to review the programs highlighted and identify measureable factors that are helping us achieve our *Closing the Gaps* initiatives.
