Highlights of data:

Each CTE program must provide at least one of the following activities that students are required to take to verify entry-level workplace competencies:

- Capstone experience completed during the last semester of the student's educational program;
- Credentialing exam for licensure, certification, or registration exams;
- External learning experience completed during the last semester of the student's educational program

The most recent KPIA licensure/certification data is used for those programs using an accrediting exam; and CTE programs that do not have a licensure or certification exam turn in annual enrollment reports in May and include the students completing the activities during summer 2012, fall 2012, spring 2013.

The following KPIA data and CTE program reports are as follows:

Administrative Office -4 (100%)	Health Information – 13 (100%) & 1 certification (100%)
