Name: Angela A. Walker	Title/Department: PASS Coordinator	Date Submitted: 11/15/2010
Project Course/Project Service Area: Online Tutoring		Project Year: 2011-2012
QEP Goals: Increase student learning through improved engagement. <ol style="list-style-type: none"> 1. Transform curriculum and instruction. 2. Participate in professional development opportunities. 3. Create a technology rich environment. 		
Objective: To create a technology rich environment by providing a global tutoring service. To explore ways in which tutoring and learning are connected. To improve tutors' and tutees' comfort with tutoring. To involve all students campus wide with several options regarding free campus wide tutoring. To serve as an avenue for the enhancement of the learning process.		
Statement of Need: Personal observation, to assist the transit and non transit student population of Vernon College by providing online tutoring would be a valuable option for those unable to come into the various PASS Centers for an on-site scheduled tutoring appointment		
Actions: <ol style="list-style-type: none"> 1. Faculty promotion of free tutoring-will request instructors inform students of options available to assist in educational success 2. Encourage tutor to tutee' interaction in a location of convenience for the tutee' 3. Generate interest in online tutoring service by targeting areas of need - this will be done by communicating with instructors for guidance on the best way to assist with the students academic success 4. Organize a rotating online tutoring schedule to accommodate course offerings per semester 5. Increase user online tutoring sessions from 30 to 150±
