

Assessment Activity and Report Calendar – 2014-2015

Assessment in education is best described as an action “to determine the importance, size, or value of.”

Activity can be defined as an action or task.

Assessment measures – All components of the college, including instruction, student services, admissions and records, and administrative services can be enhanced by use of thorough and specific assessment methods that identify and quantify (measure) strengths and weaknesses.

Use of assessment – Vernon College is committed to the use of assessment as a tool for providing guidance and direction. The expectation is for each component on the calendar to be implemented, articulated in writing, and documented as to how it will help Vernon College improve.

Report: An account presented usually in detail; a written document describing the findings of some individual or group.
