Use of data: The scholarships can include tuition, fees, board, books, and/or dorms. A total of 432 awards were given out in various combinations for the uses listed above. All students attended on the Vernon Campus.

How associated to Student Success? Scholarships help to recruit and retain student athletes to the Vernon Campus. Without these scholarships we would be unable to field competitive teams in each event. A lot of our student athletes have invested time and energy into their particular talents for sport so that it can help them further their postsecondary education.
