Baseball – 2.62

Softball – 2.87

Volleyball – 3.18

Rodeo – 2.37

Use of data: This data illustrates the importance of education to student athletes. Although all 4 athletic teams monitor educational endeavors to help assure persistence and graduation, athletes will always struggle to balance athletics and academics. Student Services is working through annual planning to hopefully provide an academic success coach on the Vernon Campus to help athletes through this struggle and develop lifelong learning skills and study habits.

How associated to Student Success? Student Athletes will always struggle to find the correct ratio for studying academics versus practicing athletics. This illustrates the need for our continued efforts.
