Assessment Activity/Report Communication Form
2014-2015

Perkins Basic Grant Biannual and Budget

Title: Report for 2014-2015

Date of completion: Mar. 30, 2015

Please circle or highlight: Assessment Activity Report Both

Highlights of data:

A biannual report was filed with THECB on March 30, 2015 for the period ending Feb. 27, 2015. Most CTE programs have ordered and received their equipment/curriculum upgrade eligible through Perkins funding. Additional equipment and software are in the process of being ordered. Many conferences/professional development opportunities have been attended by CTE faculty with just a few to finish up this spring and summer. Quarter 1 and 2 expenditure reports have also been filed and approved by THECB.

Use of data:

CTE program data is used for reviewing the programs to determine the most effective use of funds for improvement in student learning. Detailed records on expenditures are necessary for reporting and accountability for use of federal funds.

How associated to Student Success? The purpose of the Perkins funds is to provide relevant occupational skills training for students to be successfully employed in their career fields. The funds are used to improve CTE instruction, upgrade curriculum, increase the capacity of the CTE programs, and improve access to occupational skills training.

Where the report can be found: Associate Dean of Instructional Services Office
