Title: Fiscal Operations Report and Application to Participate (FISAP) Date of completion: September 24, 2014

Please circle or highlight: Assessment Activity Report Both

Highlights of data:
Federal regulations state that if the institution spent campus-based program funds (Supplemental Educational Opportunity Grant and Federal Work-Study) in 2013-14, the school must submit a FISAP. The report contains two sections: the application to participate in the campus based programs for the 2015-16 year and a program participation report for 2013-14. Our 2013-14 campus based allocations were: SEOG - $61,596 and FWS - $68,118. In addition, the FISAP contains the total Pell expenditures for the 2013-14 year. Our Pell Grant total was $5,775,420, which is over a $38,000 dollar increase from the 2012-13 year. During the 2013-14 academic year, 1,736 students received Pell Grant (down from 1,770), 85 students received SEOG (up from 74) and 39 students received FWS (down from 45).

Use of data:
The law states that if the Department of Education (ED) does not receive a completed application by October 1 each year, the school cannot be assured a campus based allocation for the upcoming academic year. Our report was submitted September 24. ED uses the information provided to determine the amount of funds VC will receive for each campus based program in the following academic year. Tentative 2015-16 campus based allocations will be announced by February 1, 2015. Final allocations will be announced by April 1, 2015.

How associated to Student Success? Many students would not be able to enroll in VC without the services and assistance provided to them by the financial aid office.
