Department of Education 14-15 FISAP

Title: (Annual Report)

Date of completion: September 14, 2015

Please circle or highlight: Assessment Activity Report Both

Highlights of data: Federal regulations state that if the institution spent campus-based program funds (Supplemental Educational Opportunity Grant and Federal Work-Study) in 2014-15, the school must submit a Fiscal Operations Report and Application to Participate (FISAP). The report contains two sections: the application to participate in the campus based programs for the 2016-17 year and a program participation report for 2014-15. Our 2014-15 campus based allocations were: SEOG - \$67,490 and FWS - \$73,403. In addition, the FISAP contained the total Pell expenditures for the 2014-15 year. Our Pell Grant total was \$5,439,401. During the 2014-15 academic year, 1,703 students received Pell Grant (down from 1,736), 112 students received SEOG (up from 85) and 44 students received FWS (up from 39).

Use of data: The law states that if the Department of Education (ED) does not receive a completed application by October 1 each year, the school cannot be assured a campus based allocation for the upcoming academic year. Our report was submitted September 14. ED uses the information provided to determine the amount of funds VC will receive for each campus based program in the following academic year. Tentative 2016-17 campus based allocations will be announced by February 1, 2016. Final allocations will be announced by April 1, 2016.

How associated to Student Success? Many students would not be able to enroll in VC without the services and assistance provided to them by the financial aid office.
