Highlights of data:

- We deposited an additional \$492
- We increased our Vernon Campus TSI testing by 73 students
- We increased our Century City TSI testing by 425 students
- We increased our CLEP testing by 9 students
- We increased our GED testing by 126 students (more than doubled)
- We increased our RN testing by 25 students
- We increased our LVN testing by 13 students
- We increased our VCT/Correspondence testing by 38 students

The report shows that 5777 people tested in our Vernon College testing centers last year. That averages to 121 students a week.

Use of data: This data helps prove the need and viability of the Vernon College Testing Centers. This report also illustrates that we are utilizing our 2 full time employees to maximum efficiency.

How associated to Student Success? Students must be able to test before and during school to begin and continue programs. Providing accessibility to educational testing is important to student success
