Assessment Activity/Report Communication Form
2015-2016

King Physical Education Center Usage

Title: Report for 2015

Date of completion: February 2, 2016

Please circle or highlight: Assessment Activity Report Both

Highlights of data:

The total usage of the King Physical Education Center for 2015 was 11,353 visits from students and members. This indicates an approximate 10% increase from 2014 which saw 10,525 visits. The increase can be contributed to the launch of the Silver Sneakers program. Although member and student usage stayed virtually the same and guest visits were slightly down for 2015, the King Center had 800 visits from participants in the Silver Sneaker program. The revenue received from the Silver Sneakers program for the year was \$1924.50, which is a free program to Vernon College.

Use of data:

Track usage of the King Physical Education Center weight room, pool, and gym.

How associated to Student Success?

Every Vernon campus student has access to the facility, as well as, community member may purchase a memberships. The facility provides a place for fitness classes and overall health benefits to both students and community members.
