Vernon College
Assessment Activity/Report Communication Form
2015-2016

Title: APAR Annual Program Assessment Report

Date of completion: June 22, 2106

Please circle or highlight: Assessment Activity   Report   Both

---

Highlights of data: Program Profile Information, Program Director Information, Department Dean, CEO, Type of Institution, Highest Degree Offered, Method of Course Delivery, Academic Calendar Unit, Faculty, Enrollment, Significant changes in enrollment, Certification AAS RHIT Exam Results

---

Use of data: An annual assessment of the curriculum is required to determine where and when improvements are needed. Assessment is conducted using feedback from students, faculty, graduates, advisory committee, employers, and other relevant sources. At least one target outcome must be related to curriculum content, knowledge clusters, improvements and/or effectiveness in approach to curriculum content. http://www.cahiim.org/documents/2012_HIM_Assoc_Stndrds.pdf

---

How associated to Student Success? Establish, maintain, and promote appropriate standards of quality for postsecondary educational programs in health informatics and information management to provide competent, skilled professionals for the healthcare industry. The program must assess through goals and target outcomes that student learning outcomes are examined and demonstrate progress toward achievement of entry-level competencies. These assessments must demonstrate that graduates meet entry-level competencies.
