Highlights of data: Each institution participating in State Work-Study (SWS) program is required to submit a year-end report to the Coordinating Board. During the 2015-16 year, 7 students received \$18,958 in SWS funds for an increase of \$1,067 when compared to 2014-15. Previously this report also included LEAP, SLEAP and Nursing Scholarship information. However, due to funding cuts, these programs were not funded for the 15-16 year. The coordinating board is hopeful they will be funded in the future.

Use of data: Any institution that has not certified its year end data by the due date is subject to penalties. Our report was certified on June 8, 2016.

How associated to Student Success? This grant program assists students with meeting the cost of attending VC.
