Highlights of data: Each institution participating in the TEXAS Grant program is required to submit a year-end report to the Coordinating Board. During the 15-16 year, 2 students received \$4,104 in TEXAS Grant funds.

Use of data: During the 2015-16 year, the number of students receiving this grant decreased because community colleges are no longer eligible to make awards to new students. This was our final year to participate in the TEXAS Grant program.

How associated to Student Success? This grant program assists students with meeting the cost of attending VC.
